Cityscape Gate is the perfect solution for urban environments with a heavy amount of pedestrian traffic and an irregular need to allow vehicular access. Unlike most gates or barriers that have a bland industrial appearance, the Cityscape Gate has an appealing design that blends well into any urban area.

SECURITY ADVANTAGES

- Capable of spanning distances up to 19.5'
- Manually operated & locked in place with a hydraulic pin
- Shallow mount technology to avoid underground utilities
ANTI-RAM BARRIER GATE

CITYSCAPE GATE
